What's keeping you from your dream? Every potential entrepreneur has a dream burning brightly in their heart but sometimes the day to day grind of life's activities can squelch that fire and we think, "Maybe I should just wait." Now you don't have to. Keep your day job (for right now) and let Cherub's Choice help you get started. Need branding? We can help. Need human CRM a notch above our beloved automation to help put your business in front of potential clients or customers? We can help with that too. We cater specifically to the needs of small business with an expertise that will make you look like you have a team of hundreds. So what's stopping you? Are you ready to live out that dream?

Cherub's Choice is the go-to solution for busy small business owners especially Childcare Business Owners. In this day of staffing shortages and a saturated industry Childcare Business Owners need professional services that will give them an advantage which will strengthen their business and attract new families.

Our expertise is revenue management, child file compliance and enrollment. Proficient in all of the Childcare Accounting software including:

- ProCare
- Ez-Care
- Brightwheel
- Line Leader

With many funding sources requiring sound financial statements it's imperative that you have someone handling your books to ensure you meet those requirements.

In addition to these services we also offer CACFP Monitoring to prepare your center for the state inspection and ensure that you and your staff have all of the required training. For more information, please visit our website or send an email to: cherubschoice3@gmail.com.
